Add "published" after "independently"

Rules

- 1) Any reference to "PRK Optional Rules" must not be taken into account
- 2) In PRK21 add "/hexside" after "MP costs for entering a hex"
- 3) Replace "German module F" with "German module G" in CG10
- 4) Replace "PRK30" with "PRK31" in the "*" note of the CG11 Table
- 5) Replace 2.17.3 with the following:
"2.17.3 An AFV (and a wreck or vehicle when applicable) while in a Revetment **a)** is considered Hull Down to Direct Fire from all directions [EXC: vs Aerial AF], but it may fire bow-mounted weapons [EXC: not to a target two or more levels below], **b)** has its Target Size increased by one (i.e. a Very Large -2 Target Size becomes a Large -1 Target Size, a Normal 0 Target Size becomes a Small +1 Target Size, etc.) [EXC: if the AFV actually has a +2 Target Size], **c)** does not create a Hindrance, **d)** if it is Mobile is considered Immobile only for CC purposes and **e)** Immobilization TC are never required [EXC to all: while the AFV is entering the Revetment, before the last Stop MP/becoming Immobile]. As an AFV exits a Revetment, it is vulnerable to Underbelly Hits as per D4.3. No more than one vehicle/wreck may occupy a Revetment."
- 6) In CG11, if **dr1** is > 1, then **dr2** is the normal **dr** provided for in E7.21 to determine the number of aircraft received

Scenario PRK2 "Prokhorovka Axis, 11 July" v.0.70

CG9 SSR is not in effect.

Scenario PRK8 "Attack from the Psel" v.0.68

- 1) Replace "dismounted" with "dismantled" in SSR5.
- 2) Soviet "136th Guards Rifle Regiment" group enters on Turn 1 (not "on/after Turn 1")

Scenario PRK12 "A Soviet reckless charge" v.0.03

- 1) The second group of "II./ SS Pz.Gren.Reg. LSSAH 2" setup in hexes numbered ≥ 4 **on board 2**, on/southeast of hexrow Q
- 2) Replace any reference to "CG10" with "SSR4"
- 3) Replace "German module F" with "German module G" in SSR4
- 4) CG19 applies with the following changes:
 - A) Replace **b)** with "Each AFV subject to Colonel Linev's Order rules ceases to be under these rules once it becomes Immobilized, or has no more functioning weapons."
 - B) Replace "hex RR13 on board 5" with "hexrow RR

beyond the southwest edge of the Map" in point *e)*

C) Add at the end of point *e)* "Once it reaches the southwest edge of the Map, it must exit the Map and can no longer return in play"

- 5) German Rocket OBA module C "Max Fire Missions" are "1" not "8"

PRKCG "Tank fields of Prokhorovka" v.0.85
